Denali Prep Course Equipment List Mt. Shasta

It is extremely important to the success and safety of your course that you bring all the items listed below. It is most important that you pack well and pack light. The weather in the winter can be either warm or very windy and cold. Be prepared to encounter all types of conditions. If you have any questions about what to bring just give us a call or throw it in the car and ask us at the trailhead.

The Basics:

- Snowshoes (recommended) or Backcountry Skis. (MSR Denali)
 - Plastic Climbing Boots or crampon compatible ski boots (Scarpa Inverno)
 - Ski Poles (Adjustable recommended) (Black Diamond Flicklock poles)
 - Sleeping Bag (rated to 0 degrees)
 - Full length Sleeping Pad(s) (MSR Thermarest pads)
 - Internal Frame Pack (4,500-6,500 cubic inches required) (Arcteryx Bora 80)
- The above items can be rented from our office in Mt. Shasta or from the local gear stores. Please let us know if you need to arrange rental equipment.

Last Messages:

SWS Mountain Guides reserves the right to refuse services to any client deemed inadequately prepared at the trailhead. If you have questions about your equipment gives us a call or throw it in the car anyway and ask your guide at the trailhead.

In preparation for the trip - be sure to drink **AT LEAST 4 QUARTS OF WATER A DAY** for at least 2-3 days prior to your trip, preferably for the whole preceding week - it will make your adjustment to altitude and exertion infinitely easier. 11/09
